

GEORGINA SAMSON

DECK/STEW

PERSONAL PROFILE

I've lived in Cornwall for the past 6 years, where being surrounded by the sea inspired me to pursue a career onboard. I completed a Sailing Competent Crew course in Portugal, which I thoroughly enjoyed. I'm a hardworking, goal-driven individual eager to continue my yachting career as a Deck/Stew. I enjoy challenges, love learning new skills, and am enthusiastic about growing within the industry.

Crew Training | UKSA | October 2023 - This 3-week course included crew training deck work, look out and watch duties, tender duties and safety procedures. Vessel care and maintenance, plus basic repairs and cleaning.

RYA Tender Operator | UKSA | October 2023 - In this course we covered passenger safety, day and night pilotage, emergency situations, equipment/vessel types and situation appraisal. I enjoyed going out at night as I found it very interesting identifying vessels and buoys by lights.

I've experienced sailing boats as my father is a day skipper and have been sailing off Antigua and Barbuda for 12 days (2017) and Croatia for 10 days (2021), with my dad and brother, either mooring up or anchoring each afternoon and sailing again the next day.

HOBBIES & INTERESTS

I am a very active person and like the outdoors no matter the weather. When living in Cornwall I enjoyed going on long coastal walks, surfing, paddleboarding and exploring new places. I'm the type of person who loves going to the beach and play frisbee or rounders with a group of friends and watch the sunset. A hobby of mine is photography, so I enjoy taking lots of photos of my surroundings, with my film cameras as well.
